**Any Time Payment (ATP) facilities penetrating across Karnataka**

**Mysore** - The picturesque tourist city of Karnataka has over 7 ATPs installed across various vantage locations. Recently few more machines were installed at Mysore; bringing with them a whole new convenience to consumers offering 24x7 utility bill payment services including electricity, water, telephone amongst others.

Shri. S R Chandran, Divisional Manager, Bharat Sanchar Nigam Limited (BSNL) inaugurated a new ATP system in Mysore on 4th March 2009

**Tumkur:** An administrative district of Karnataka, one and half hours drive from Bangalore. The beautiful slopes of the Devarayanadurga hills, are clothed with forests and inhabited by animals. In this scenic surrounding lives a sizeable population of people, in what is turning into a fast developing hub in Karnataka. SPML Technologies prides the fact that it has installed over 10 ATPs in Tumkur. ATPs will simplify the utility payment for consumers in the region and also provide an opportunity to avail other services.

Few of the recent installations:

- On 12-3-09 at Madhugiri BESCOM
- On 15-3-09 at Pavagoda BESCOM
- On 16-3-09 at Sira BESCOM

**Any Time Payment Solution for the majestic state of Madhya Pradesh**

**Jabalpur:** Located in Madhya Pradesh was also known as the central province in earlier times. Estimated to be 294th largest city in the world by 2020, Jabalpur was ranked at 121 amongst the fastest growing cities and urban areas in the world in 2006. To ensure convenience to its consumers Madhya Pradesh Poorv Kshetra Vidyut Vitaran Co. Ltd., recently installed the SPML ATP machines on 9th March 2009.

**SPML ATP making a difference in the radiant state of Gujarat**

**Paschim Gujarat Vij Company Limited (PGVCL),** one of the leading power distributor company in Gujarat, has added few more ATP services for its consumers in Gujarat. Apart from PGVCL, a total of 43 ATP kiosks have been installed so far, through the support of all the 4 state distribution agencies in Gujarat, under Build-Own-Operate-Maintain (BOOM) model. This will enable electricity consumers with convenience of 24x7x365 days, multi-locational and multiple payment mode options.

## SPML Technologies' Journey So Far

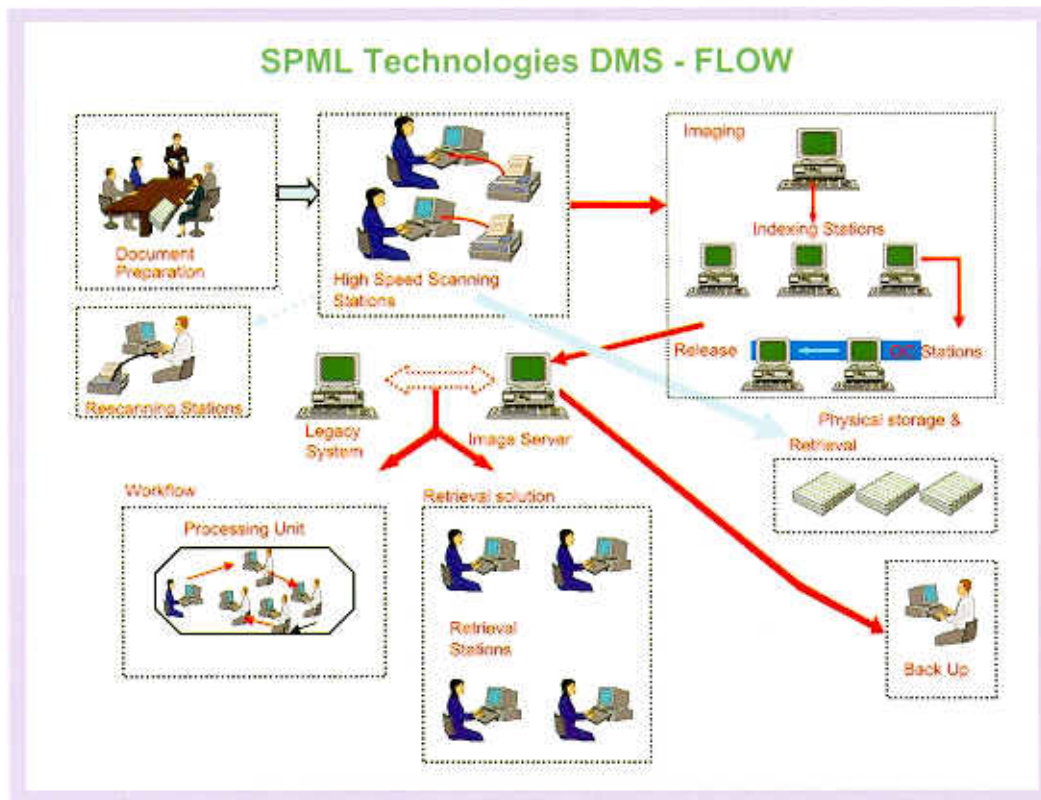

SPML Technologies current consumer base is approx. 18 Lakhs, with over 2.5 Crore transactions since the time of inception. SPML has been registering robust growth, with a minimum addition of 1 Lakh consumers month on month.

Any Time Payment (ATP) kiosks are user-friendly machines that act like virtual employees, collecting and delivering information quickly and consistently without human interaction and currently configured to accept electricity bill payments, telephone bills, mobile bills, credit card bills, pay life premiums, daily passes, issue of monthly passes, rail e-tickets etc.
